# REACTON COLORS

***Add touches of exciting and new natural colours to your floors!***

## WHY REACTON COLORS ??

***Reacton Colours are our collection of water-based finishes that add classy new shades to wood surfaces, preserving the natural look of the wood and breathing new life to any room.***

## HOW TO APPLY ??

***Viron recommends applying Reacton Colors using an automatic linear-spray machine. This system improves efficiency, stability, and improves production output.***

***Reacton is safe to touch before it cures, and does not irritate the skin.***
